

Annibale Cois, Curriculum Vitæ

Personal Details

Surname: Cois
First Name: Annibale
Title: Dr
Born: 27/09/1962, Carbonia (Italy)
Citizenship: Italian (South African permanent resident)

Physical Address: Burden of Disease Research Unit, South African Medical Research Council
Francie van Zijl Drive, Parowvallei, Cape Town

Postal Address: PO Box 19070
7505 Tygerberg,
South Africa

Email: annibale.cois@mrc.ac.za

ORCID [0000-0002-7014-6510](https://orcid.org/0000-0002-7014-6510)

WoS [AAK-8603-2020](https://www.scopus.com/authid/detail.uri?authorid=AAK-8603-2020)

Education

- 2017 University of Cape Town, School of Public Health and Family Medicine, Cape Town
Ph.D. in Public Health
- 2012 University of Cape Town, School of Public Health and Family Medicine, Cape Town
Masters Degree of Public Health (epidemiology track), with distinction.
- 2005 University of Cagliari, Faculty of Education, Cagliari, Italy
Semester course on Logic and Philosophy of Science
Final mark: 30/30, cum laude
Semester course on General Psychology
Final mark: 30/30, cum laude
- 1988 University of Cagliari, Faculty of Engineering, Cagliari, Italy
Masters Degree in Electrical Engineering, summa cum laude

Post-graduate training in the field of the evaluation of health interventions and advanced epidemiological methods. Among them, training courses on: • *Advanced Course on Structural Equation Modelling using Mplus*, Utrecht University, The Netherlands • *Using quantitative bias analysis with epidemiologic data*, Centre of Excellence in Epidemiological Modelling and Analysis, Stellenbosch, South Africa • *Structural Equation Modelling*, Istanbul University, Istanbul, Turkey • *Robust statistical methods for trial design and analysis*, Novartis & Stellenbosch University, Stellenbosch, South Africa • *Evaluation of effectiveness and evidence-based health interventions*, Azienda ASL 8, Cagliari, Italy • *Evaluation of the effectiveness of health interventions: the Cochrane Drugs and Alcohol group*, ISS, Istituto Superiore di Sanità, Rome, Italy

Current Position

2024 - South African Medical Research Council, Burden of Disease Unit, Cape Town
Senior Specialist Scientist

Invited Positions

2022 - Greenwich University, Institute for Lifecourse Development
Visiting Fellow

2018 - University of Cape Town, School of Public Health, Division of Epidemiology and Biostatistics
Honorary Senior Lecturer

Recent Work Experience

2021 - 2024 Stellenbosch University, Department of Global Health, Division of Health Systems and Public Health
Senior Researcher

2017 - 2020 Health System Trust, Health Research Unit, Cape Town
Biostatistician

2015 - 2017 University of Cape Town, School of Public Health and Family Medicine, Division of Epidemiology and Biostatistics, Cape Town
Senior Research Officer

2013-2015 Health System Trust, Health Research Unit, Cape Town
Biostatistician

2014 -2014 University of Cape Town, School of Public Health and Family Medicine, Cape Town
Lecturer

2013-2013 University of the Western Cape, School of Public Health
Lecturer

2012-2013 Division of disability studies, Faculty of Health Sciences, University of Cape Town
Statistical consulting

Teaching

2022- *Survey Methods*. MPhil in Health Systems. Stellenbosch University, Department of Global Health. Course Convenor.

2018- *Seminars in Epidemiology & Advanced Epidemiology courses* (Structural Equation Modelling, Latent Class Analysis, Quantile Regression methods, Generalise Additive Models, Data Visualisation Methods). Master of Public Health. University of Cape Town, School of Public Health and Family Medicine.

2017- 2019 *Basic Biostatistics Course*. Postgraduate Diploma In TB-HIV Medicine. University of Cape Town, Faculty of Health Sciences & Desmond Tutu HIV Centre.

2017 *Quantile regression*. Seminar. University of Cape Town, School of Public Health and Family Medicine

2016 *Latent Growth and Growth Mixture Models*. Seminar. University of Cape Town, School of Public Health and Family Medicine

2014, 2015 *Introduction to Structural Equation Modelling for epidemiologists*. Seminars. University of Cape Town, School of Public Health and Family Medicine

Other

Member of the *South African Statistical Association (SASA)*.

Member of the *International Epidemiological Association (IEA)*.

Member of the editorial board of *Medicina delle Dipendenze – The Italian Journal of the Addictions*.

Certified peer reviewer: (Web of Science reviewer profile: [AAK-8603-2020](#)).

Member from 2006 to 2010 of the Regional Board of the SITD (*Italian Society of the Addictions*).
